STATEMENT ON INTERNAL FINANCIAL CONTROL

As Chairman and on behalf of the Board members of Bord na gCon, I acknowledge our responsibility to ensure that an effective system of internal financial controls is maintained and operated by the Board and its subsidiary companies.

The systems of internal financial control can only provide reasonable but not absolute assurance, that assets are safeguarded, transactions authorised and properly recorded and that material errors or irregularities are either prevented or would be detected in a timely period.

In the light of the Dalton Report, the Board initiated a comprehensive review of control systems, including its governance arrangements. This statement records the key procedures put in place by the Board to ensure an effective system of internal financial control and corporate governance. The Board in consultation with the Department has initiated a number of improvements including the establishment of an independent control and appeals committee. The Board is aware that the Comptroller and Auditor General has signalled his intention to publish a special report in relation to certain activities of the Board. In due course the Board will consider that report and any further improvements that might be recommended in it.

Control Environment

The Board has taken steps and reviews their implementation so as to ensure an appropriate control environment is in place by:

- Clearly defining management responsibilities, authority and accountability. In accordance with the recommendations of the Dalton Report the Board intends to review its existing arrangements in 2007 with a view to drawing up guidelines on the respective roles of the Board and the executive management.
- Establishing formal procedures for monitoring activities and safeguarding assets of the business.
- Developing a culture of accountability across all levels of the organisation. The Board has approved and reviewed its code of conduct for Board Members and employees in 2006.
- The establishment of an Internal Audit function. The reporting arrangements of the Internal Auditor comply with the Framework Code of Best Practice as outlined in the code of practice for the Governance of State Bodies

Business Risks

The first process in ensuring an appropriate control environment is to clearly identify the business and control risks associated with each business segment. An updated risk assessment of the business operations was carried out in 2006, by the Internal Auditor in consultation with senior management. The Board recognises the need to ensure that risks are reviewed on an annual basis and considered the risk assessment in 2006. As part of this review the Board considered its processes for identifying and evaluating business risks to ensure that they:

- Identify the nature, extent and financial implication of risks facing the Board including the extent and categories which it regards as acceptable
- Assess the likelihood of identified risks occurring
- Assess the Board's ability to manage and mitigate the risks that do occur
- Assess the costs of operating particular controls relative to the benefit obtained.

On an ongoing basis, major business risks are matters of discussion at Board meetings; in particular the Board approves all borrowings and five year rolling cash flows.

STATEMENT OF INTERNAL FINANCIAL CONTROL (Continued)

The Board accepts that the system of internal financial control must be based, on a framework of regular management reporting, administration procedures including segregation of duties and a system of delegation and accountability including:

- A comprehensive annual budgeting and financial reporting system which is reviewed and approved by the Board
- Regular reviews by the Board of overall strategy, business and financial plans and variance against operating and capital budgets. In this regard the Board has considered its 5 year strategy and presented its 5 year Strategic Plan to the Department of Arts Sport & Tourism.

The Board has established an Internal Audit Committee and has delegated to it and senior management the function of monitoring the internal audit function. The Board accept that to operate effectively the Audit Committee should meet at least four times a year and this criterion has been met in 2006. It has also appointed Deloitte & Touche to provide advice to its Audit Committee and attend its quarterly meetings. The Board has an internal audit function which is mandated to operate in accordance with the requirements of the Code of Practice for the Governance of State Bodies. The work of the internal audit is informed by analysis of the risks to which the Board in exposed and annual internal audit plans are based on this analysis. The internal audit plans were approved by the Audit Committee in 2006.

The Board accepts that its monitoring and review of the effectiveness of the system of internal financial control must be informed by the work of the internal auditor, the Audit Committee which oversees the work of the internal auditor, the executive managers within the Board responsible for the development and maintenance of the financial control framework and addressing any comments made by the Comptroller and Auditor General in his management letters.

Annual Review of Controls

In 2006 the Board engaged external consultants to consider the effectiveness of the systems of internal financial control and a summary report was considered by the Board at is meeting of 8th August 2006. The finalised report was considered by the Audit Committee in December 2006 and the Audit Committee formally reported to the Board in respect of 2006 at the Board meeting of 28th June 2007.

Signed on behalf of the Board.

Dick O'Sullivan.
Chairman

BOARD MEMBERS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2006

The Board Members submit herewith their report and audited financial statements for the year ended 31 December 2006.

1. PRINCIPAL ACTIVITIES

The principal activities of the Group continue to be:

- Operation of a totalisator at race meetings;
- Operation of race-tracks together with complementary ancillary services.

Any surplus generated from the above activities is re-invested in the industry through contributions to prize-money and grants to various bodies involved in the greyhound racing and breeding industry.

There have been no significant changes in these activities during the year.

2. GROUP TRADING RESULTS FOR THE YEAR

	2006 €	2005 €
Turnover	<u>63,455,561</u>	<u>62,652,756</u>
Operating surplus before grants	2,183,641	1,816,122
Grants to private tracks	<u>(48,636)</u>	<u>(764,789)</u>
Surplus on ordinary activities	2,135,005	1,051,333
Gain on disposal of tangible fixed assets	12,946	2,364
Group interest payable	(274,788)	(243,025)
Taxation	(16,812)	(11,293)
Profit attributable to minority interests	(54,760)	(39,975)
Surplus for the year	<u>1,801,591</u>	<u>759,404</u>

3. SUBSIDIARIES

Information provided in respect of the subsidiary companies is set out in Note 15 of the financial statements.

In 2006 the Galway Agricultural and Show Society consented to the assignment of the lease from Bord na gCon to Galway Greyhound Stadium Ltd a subsidiary created for the purposes of running greyhound racing. In previous years the greyhound racing was run as a branch of Bord na gCon. In 2006 the assets and liabilities held by the branch were transferred to Galway Greyhound Race Co. Ltd.

BOARD MEMBERS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2006 (Continued)

4. **MEMBERS OF THE BOARD**

The members who held office during the year are listed on page 2.

5. **STATEMENT OF BOARD MEMBERS' RESPONSIBILITIES**

The Board Members are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of Bord na gCon and of its profit or loss for that year. In preparing those financial statements, the Board Members are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that Bord na gCon will continue in business.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The Board Members are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of Bord na gCon and which enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland. They are also responsible for safeguarding the assets of Bord na gCon and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

6. **HEALTH & SAFETY**

The well being of Bord na gCon employees is safeguarded through adherence to health and safety standards throughout all its locations. Board Members are cognisant of their responsibilities under the Safety, Health and Welfare at Work Act, 1989 and S.I. No. 44, Safety, Health and Welfare at Work Regulations, 1993, and have appointed a designated Safety Officer.

7. **AUDITOR**

The Comptroller and Auditor General continues to have responsibility for the audit of Bord na gCon in accordance with Section 5 of the Comptroller and Auditor General (Amendment) Act, 1993.

BORD NA gCON

Group Accounts

Report of the Comptroller and Auditor General for presentation to the Houses of the Oireachtas

I have audited the Financial Statements of Bord na gCon for the year ended 31 December 2006 under the Horse and Greyhound Racing Act, 2001.

The financial statements, which have been prepared under the accounting policies set out therein, comprise the Accounting Policies, the group Profit and Loss Account, the Bord na gCon and group Balance Sheets, the Cash Flow Statement, the Statement of Total Recognised Gains and Losses and the related notes.

Respective Responsibilities of the Members of the Board and the Comptroller and Auditor General

The Board is responsible for preparing the financial statements in the form and manner provided under the Horse and Greyhound Racing Act, 2001, and for ensuring the regularity of transactions. The Board prepares the financial statements in accordance with Generally Accepted Accounting Practice in Ireland. The accounting responsibilities of the Members of the Board are set out in the Statement of the Board's responsibilities.

My responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

I report my opinion as to whether the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland. I also report whether in my opinion proper books of account have been kept. In addition, I state whether the financial statements are in agreement with the books of account.

I report any material instance where moneys have not been applied for the purposes intended or where the transactions do not conform to the authorities governing them.

I also report if I have not obtained all the information and explanations necessary for the purposes of my audit.

I review whether the Statement on Internal Financial Control reflects the Board's compliance with the Code of Practice for the Governance of State Bodies and report any material instance where it does not do so, or if the statement is misleading or inconsistent with other information of which I am aware from my audit of the financial statements. I am not required to consider whether the Statement on Internal Financial Control covers all financial risks and controls, or to form an opinion on the effectiveness of the risk and control procedures.

Basis of Audit Opinion

In the exercise of my function as Comptroller and Audit General, I conducted my audit of the financial statements in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board and by reference to the special considerations which attach to State bodies in relation to their management and operation. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures and regularity of the financial transactions included in the financial statements. It also includes an assessment of the significant estimates and judgments made in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Board's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations that I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

Without qualifying my opinion, I draw attention to

- the Statement on Internal Financial Control which sets out the steps being taken by the Board to improve its governance arrangements,
- the fact that I am carrying out an examination of the arrangements for the procurement of capital works and services and related matters at Bord na gCon and within its group of companies.

Opinion

In my opinion, the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of Bord na gCon's and the group's affairs at 31 December 2006 and of the income and expenditure for the year then ended.

In my opinion, proper books of account have been kept by Bord na gCon. The financial statements are in agreement with the books of account.

NOTES ON THE GROUP FINANCIAL STATEMENTS 31 DECEMBER 2006**1. ACCOUNTING POLICIES****(a) Accounting convention**

The financial statements have been prepared on an accruals basis under the historical cost convention and in accordance with generally accepted accounting practice. Financial Reporting Standards recommended by the recognised accounting bodies have been adopted as they become applicable.

(b) Basis of consolidation

The group Financial Statements comprise the financial statements of Bord na gCon and its subsidiaries. The financial statements of the Board's associated company - Kilkenny Greyhound Racing Company Limited - are not dealt with in these financial statements as the amounts involved are not material. The accounting dates of the subsidiaries are coterminous with that of Bord na gCon.

(c) Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation. Freehold land is not depreciated. Depreciation on the remaining fixed assets is calculated by equal annual instalments so as to provide for their cost over the period of their expected useful lives at the following annual rates:

Freehold land	Nil
Freehold and leasehold premises	2%
Totalisator buildings	10%
Totalisator equipment	20%
Track equipment, furniture and fittings etc.	10%
Leased tote equipment	10%
Computer equipment	20%
Motor vehicles	20%

(d) Leases**Finance leases**

Where an asset is acquired under a lease which entails taking substantially all the risks and rewards of ownership of the asset, the lease is treated as a finance lease.

Under a finance lease the capital element of the asset is included in tangible fixed assets and amortised over the life of the asset and the outstanding liability is included in creditors.

Rental payments are apportioned between the interest element which is charged to the Profit and Loss Account and the capital element which reduces the outstanding liability.

Operating leases

All other leases are operating leases and rentals payable under such leases are charged to the Profit and Loss Account in the year to which they relate.

(e) Stocks

Stocks are stated at the lower of cost and net realisable value. Cost represents invoiced cost from suppliers.

NOTES ON THE GROUP FINANCIAL STATEMENTS 31 DECEMBER 2006 (Continued)

(f) **Deferred Taxation**

Provision for deferred taxation is made by the liability method in respect of material short term and other significant timing differences except to the extent that it is reasonably probable that such taxation will not become payable in the future.

(g) **Oireachtas Grants**

Oireachtas grants receivable are treated as revenue grants and credited to the Profit and Loss Account.

(h) **Capital Reserve**

The Capital Reserve represents retained surplus applied for the acquisition of assets including the development of Bord owned tracks. Releases are made from this reserve to the Profit and Loss Account in line with the depreciation and write-down of the grant-assisted assets.

Funding made available from the Horse & Greyhound Racing fund is considered by the Board to represent compensation to Bord na gCon for the reduction in the on-course bookmakers' levy, funding for prize money grants and funding for the development of the industry by way of capital grants. Where funding received from the fund exceeds the aggregate of levy compensation, prize money grants and capital grants to private tracks, the excess is regarded as a capital grant and transferred to the Capital Reserve. Where funding received is less than the aggregate, a transfer is made from the Capital Reserve to the Revenue Reserve.

(i) **Goodwill**

The cost of purchased goodwill is shown as an intangible fixed asset in the Balance Sheet in accordance with FRS10, accounting for goodwill and intangible assets. Negative goodwill is released to the Profit and Loss Account in the periods in which the non-monetary assets are recovered.

(j) **Pensions**

Bord na gCon has both a defined contribution (PRSA) and a defined benefit scheme.

Defined Contribution Scheme

Payments to the PRSA scheme are charged to the Income and Expenditure Account in the period to which they relate.

Defined Benefit Scheme

Pension scheme assets are measured at fair value. Pension scheme liabilities are measured on an actuarial basis using the projected unit method. An excess of scheme liabilities over scheme assets is presented on the balance sheet as a liability.

The pension charge in the Income and Expenditure Account comprises the current service cost and past service cost. The difference between the expected return on scheme assets and the interest cost on the scheme liabilities is credited as other finance income.

Actuarial gains and losses arising from changes in actuarial assumptions and from experience surpluses and deficits are recognised in the Statement of Total Recognised Gains and Losses for the year in which they occur.

NOTES ON THE GROUP FINANCIAL STATEMENTS 31 DECEMBER 2006 (Continued)**2. TURNOVER**

Turnover represents total turnover, revenue from race meetings and other ancillary activities including Bar & restaurant operations.

23. BOARD MEMBERS' INTERESTS

In the normal course of business Bord na gCon and its subsidiaries may enter into contractual arrangements with undertakings in which Board Members are employed or otherwise interested. The Board adopted procedures in accordance with the guidelines issued by the Department of Finance in relation to the disclosure of interests by Board Members and these procedures have been adhered to by the Board during the year. During the year goods to the value of €9,577 were purchased by group companies from a company with which a Board Member is associated. This contract was awarded, following a tendering process, before the person concerned became a Board Member.

24. COMMITMENTS & CONTINGENCIES

The Board has capital commitments for 2007 for the development of I.T. software of €167,000 and a Stadium Grants of €2.8million.

A contingent liability exists pertaining to the asset under development (note 7). The asset relates to design fees incurred in respect of the development of a new greyhound stadium and office block at a site at Meelick, Ennis Road. The local authority has refused to grant planning permission for the development and accordingly a doubt exists as to whether the development will proceed. Should a decision be made at a later date to abandon the planned development, that portion of the design fees specific to this site will require to be written off. The Board estimates that the amount involved would be approximately €300,000

NOTES ON THE GROUP FINANCIAL STATEMENTS 31 DECEMBER 2006 (Continued)

25. GOING CONCERN

The Horse and Greyhound Racing Act made provision for financing Bord na gCon in the medium term. In 2004, the Minister for Arts, Sport and Tourism, with the consent of the Minister for Finance, increased the limit of the total amount which can be paid into the Fund from monies provided by the Oireachtas from €254 million to €550 million, of which 20% is available to Bordna gCon. As the Directors are satisfied that the group is in a position to arrange its affairs and the necessary finance to enable the group to discharge its liabilities, the Directors consider that the going concern basis remains appropriate in preparing the financial statements.

26. EXCEPTIONAL ITEM

In 2003 Advance Totes Limited initiated judicial review proceedings in respect of the award of a totalisator tender. In the High Court Mr. Justice Murphy held that the principles of equal treatment and transparency were not breached and awarded 5 of the 6 days costs to the board. This decision was overturned on appeal to the Supreme Court on 23 March 2006. The Supreme Court also overturned the High Court decision on costs. Costs of €220,747 have been charged in respect of the final settlement in this case. Amounts of €1,097,400 and €91,000 had previously been charged in the 2005 and 2004 accounts respectively, thus bringing the total costs to €1.4m.

27. APPROVAL OF ACCOUNTS
