Tip CGd BGd Form Guide

T1	A7	A7	Maiden success last time out and needs to build on that to follow up. One for the trios.
T2	A7	A6	Mixed form in the book & should improve for this comeback outing. Best watched here.
T3	A7	A5	Has caught the eye in the past and not without a chance in this. Should be in the mix.
T4	A7	A6	Steps back up in trio tonight and is not certain to stav. Will need to lead early on in this.
T5	A7	A7	No show in a hot contest on debut. Previous trial form is decent. The one to beat here.
T6	A7	A6	Decent enough effort two runs ago. however. this looks much tougher. Up against it.

T1	A5	A4	Plenty of stamina power and this trip will suit. In superb form and the one to beat here.																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																															
T2	A5	A5	Decent performance in defeat last time out & not without a chance in this open event.																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																															
T3	A5	A3	No show in a couple of recent races & hard to fancy on that form. Must bounce back.																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																															
T4	A5	A5	Two smart runs in defeat in recent weeks and has the pace to feature in this. Include.																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																															
T5	A6	A5	Strong running performer and has the pace to strike a serious blow in this. Big claims.																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																															
T6	A6	A5	Not beaten far in a couple of recent outings. however. must trap on terms in this here.

The Laurels Continues Tomorrow Night 525

Tip CGd BGd Form Guide

T1	A6	A6	Maior eve catcher on debut & go well with a half decent start in this. A leading player.
T2	A7	A7	Decent enough effort last time out & could run into the places if building on that here.
T3	A6	A5	No luck last time out but previous run was ok. Must turn close in this line-up tonight.
T4	A6	A6	All about early speed will need a flying start if he's to slip around in front. Tough ask.
T5	A6	A6	Lacks early dash - can finish well. Needs to improve in the trapping department here.
T6	A6	A6	Impressive winning performance on debut. Can improve further and should go close.
