For Current A2 Greyhounds

Tp	CGd	BGd	Form Guide																																	
T1	A0	A0	Traps and stavs well, has a chance to lead up the inside with a similar start to last week 11/4																																	
T2	A1	A1	Ran well last time out behind a good winner, slight concerns about this inside trap 11/4																																	
T3	A0	A0	Like trap two he could move a bit wide from this draw, likely to be favourite here 7/4																																	
T4	A3	A0	Has a few lengths to find with the selections tonight, will need to find a bit 7/1																																	
T5	A1	A1	Could find himself behind in the early stages here, capable on the clock though 5/1																																	
T6	A2	A0	Should get a clear run as the only wide seed here, maybe doing well late on tonight 5/1
